## TECHNICAL SITE VISIT TO BEWG-UESH NEWATER PLANT

*14 March 2017, Singapore*

Thirty participants attended the technical visit to BEWG-UESH Newater Plant on 14 March, organised by SWA. The plant is designed to treat secondary effluent from Changi Water Reclamation Plant (CWRP) and to dispatch NEWater at all flows between the Minimum Design Capacity and the Warranted Capacity to the NEWater Distribution System. This is achieved by using the following treatment processes operated in series; Microfiltration (MF); Reverse Osmosis (RO); Ultraviolet (UV) light disinfection; Chloramination and post conditioning which the participants got to visit and understand.

## SWA ORGANISED SINGAPORE PAVILION AT OVERSEAS TRADE SHOW: WATER PHILIPPINES 2017

*22 – 24 March 2017, Manila*

For the fourth time, SWA organised the Singapore pavilion at the Water Philippines 2017 from 22 – 24 March 2017 in Manila, Philippines. The pavilion consists of eight Singapore companies and occupied an exhibition space of 108 sqm. It was a good opportunity for the companies to showcase their water expertise and solutions, to source for innovative technology, to trade with solution providers and to share best practices as well as stay up-to-date with the latest global trends for our local exhibitors during the three days. The show attracted good visitorship with adequate publicity by the Show Organiser.

The SWA Networking Reception welcomed our affiliated associations; President of Philippine Water Works Association, Inc Engr. Roger Borja, Regional Director of International Water Association, Mr Ganesh Pangare as well as groups of local and overseas government officials and representatives from water companies on the second day of the show.
