## 26<sup>th</sup> Singapore Water Industry Nite

The 26<sup>th</sup> Singapore Water Industry Nite cum SWA Chinese New Year Celebration hosted by the Singapore Water Association was held on 19 February 2016 at the WaterHub. The event was attended by over 120 members and invited guests.

Mr Tay Lim Heng announced that he would step down as SWA President due to his current work commitment. His successor, Mr Tan Cheng Guan, Executive Vice-President and Head of Business Development of Sembcorp Industries Ltd, will continue to lead SWA in our mission to develop a vibrant and dynamic Singapore Water Industry.

SWA Executive Director, Mr Tan Kok Tian, updated that the recently formed SWA Young Professional Subcommittee (YPS) will be organising networking sessions and activities to connect to the young water professionals of SWA members. The mission of the YPS is to support and promote the attraction, development and retention of young water professionals as well as to profile the water sector as a growing and leading industry.

The programme continued with a sharing session on "Managing the Water Distribution Network with a Smart Water Grid" and an announcement on new and upcoming projects by PUB, Singapore. The event ended with a Lo-Hei session and dinner buffet.

## Interested to join SWA?

The Singapore Water Association aspires to play a role in efforts to profile and promote Singapore as a one-stop centre for all water-related services and as a water technology hub. This Association will bring together local companies for the mutual benefit of developing a vibrant and dynamic local water industry.

The Association aims to provide a forum for collaboration and the inter-change of ideas and knowledge among member companies. In addition, it will be an arena for networking among members and dissemination of strategic information on emerging business opportunities and new technologies.

SWA as an association will create an awareness and a brand name for itself though actively participating in foreign conferences and seminars, showcasing itself and members at exhibitions and tradeshow and collaboration with other water bodies worldwide. SWA serves as an important network link for members to the international water network. It also contributes to strengthen the presence of Singapore companies in the global market.
