## SWA at Singapore International Water Week 2016

Members of SWA continued to have a strong presence at the seventh Singapore International Water Week (SIWW), which cemented its niche as the global platform to co-create and share innovative solutions from 10 to 14 July 2016 at Marina Bay Sands Singapore. As a gateway to Asia, *City Solutions Singapore* brought together buyers and sellers in Asia's biggest marketplace for sustainable urban solutions with over 1,000 exhibitors and 31,000 sqm of expo space. During the week, SWA inked two MOUs with Malaysian Water Association and SEAWUN to create more cooperation activities for the mutual benefits of the two associations on 12 July. The Presidents and representatives of international water associations also joined us to witness this celebrated moment. On the same day, SWA organised the SWA Industry-to-Industry Networking Session to announce the formation of the SWA Young Water Professional Group.
