

SWA NEWS

SWA ORGANISED SINGAPORE PAVILION AT OVERSEAS TRADE SHOW:

THAIWATER 2017

7 - 10 June 2017, Bangkok

As part of our on-going effort to profile Singapore Water Association internationally and to enable members to promote their products and services through leading water exhibitions, SWA organised the Singapore pavilion for Thaiwater 2017 on 7 – 10 June 2017 in Bangkok, Thailand. The pavilion consists of 8 Singapore companies and occupied an exhibition space of 108sqm. It was a good opportunity for the companies to showcase their water expertise and solutions, to source for innovative technology, to trade with solution providers and to share best practices as well as stay up-to-date with the latest global trends for our local exhibitors during these 4 days. One of the exhibitors, Kuraray Asia Pacific took the opportunity to sign a Memorandum of Understanding with Asia Water System Solution during the show to distribute Kuragel-a MBBR media for advanced biological treatment in Thailand and to form part of their specialized system.

The SWA Networking Reception welcomed Advisor to the Minister of Energy for Thailand, Assistant Governor for Electricity Generating Authority of Thailand, President of Cambodian Water Association, Chairman of Myanmar Engineering Society, President of Electrical and Electronics Association of Malaysia as well as other distinguished guests from water companies on the second day of the show.

UPCOMING SWA ACTIVITIES

TECHNICAL VISIT TO WATER REUSE & RECYCLING FACILITIES IN LUMILEDS LED MANUFACTURING PLANT

30 June 2017, 1.30pm – 5.00pm

Lumileds is a global light engine leader, delivering innovative, high-quality and sustainable LEDs and automotive lighting, to enable the inventors of next generation illumination to create truly breakthrough products. Sustainability has always been a core driver at the site. The LED manufacturing plant embarked on a continuous improvement program with the goal of reducing the environmental impact at each level of the manufacturing process.

Lumileds Singapore has been recognized for its continuous improvement on sustainability management and performance over the years. Specifically, for water efficiency areas:

- PUB “Water Efficient Building” GOLD award (since 2013)
- PUB “Water Mark” award (2013)
- SS 577: 2012 Water Efficiency Management System Certification (since 2013)

Participants will get to see Lumileds’ water conservation efforts in:

- Monitoring of water consumption system through metering
- Monitoring of potential water leakage through water leak detection system
- Recycling of production waste water
- Reducing of water consumption by upgrading less efficient DI system to more efficient system
- Profiling of plant water consumption or waste water generation to identify potential areas for water conservation

Itinerary

1:30pm - Registration at Waterhub

2:00pm - Coach to leave for Lumileds LED manufacturing plant

2:30pm - Arrival and issuing of passes

2:40pm - Presentation on Lumileds’ operation and it’s water conservation

3:10pm - Site tour of water reuse & recycling facilities in Lumileds LED manufacturing plant

3:40pm - Questions & Answer Session

4:15pm - Coach to leave for Waterhub

5:00pm - Reach Waterhub

SINGAPORE PAVILIONS AT OVERSEAS TRADE SHOWS IN 1H 2017

With support from IE Singapore under the iMAP Grant of up to 50% off participating fee for:

Indowater 2017

12-14 July 2017, Jakarta, Indonesia

Jakarta will once again host the 13th Indonesia's No. 1 International Water, Wastewater, and Recycling Technology Event in Indonesia. This show will bring together over 10,000 industry professionals and experts also over 550 exhibitors from 30 countries. It is proven platform for industry professionals to get updated on the latest trends and developments and to build valuable partnerships. It is also where water supply & sewerage companies, consultants, contractors, industrial wastewater treatment professionals and decision makers look for cost-effective solutions and technology. For more information, visit <http://www.indowater.com/>

Lankawater 2017

10-12 August, Colombo, Sri Lanka

LankaWater'17 – Sri Lanka's Premiere International Water and Wastewater Industry Exhibition will be held from 10-12 August 2017 at the Sri Lanka Exhibition & Convention Centre to tap on these opportunities. It will be a truly business-to-business platform for exhibitors to showcase new technology and innovations, generate new business, build partnerships and network with key decision makers including government officials, municipality water and sanitation companies, manufacturers, developers, consultants, engineers and agents/distributors.

Kindly refer to <http://www.lankawater.org/> for more information.

SWA BUSINESS MISSION TO INDONESIA *NEW*

11-13 July 2017, Jakarta, Indonesia

The objectives of the mission include:

- To meet relevant government officials in Indonesia to understand the Indonesian market and regulations.
- To enable companies in Singapore to tap on the business opportunities in Indonesian market for their expansion.
- To have business matching with water industry people in Indonesia based on the participants' specific areas of interest for discussion.

For information on overseas Singapore pavilions and programme for Business Mission, please contact the Event Secretariat: Ms. Joanne Tan via email: joannetan@epc.com.sg or tel: (65) 6377 6619.

NEW SWA WEBSITE LAUNCH WWW.SWA.ORG.SG

We are pleased to announce the launch of our newly revamped website that aims to create an informative and user-friendly browsing experience.

This new website is a reflection of SWA's continuous efforts to bring value to our members. Thanks to a range of new functionalities and tools such as the interactive membership directory search feature for Singapore's water services and technologies, it is now easier for members to interact, collaborate and exchange ideas.

In the SWA website, you will be able to learn more about the Association and its activities. This website is designed to ensure easy navigation and provide useful information to those who are eager to find the right path for the development of your business and to increase business and network opportunities for market

expansion. We will continue to improve and update the website and I hope you will be able to learn more about our Association and find the information you require to support and grow your business.

INVITATION TO FOLLOW SWA ON LINKEDIN

You can now follow SWA on LinkedIn to get the latest updates on our events, courses, water related news, articles and more!

SWA LinkedIn: <https://www.linkedin.com/company/singapore-water-association>

Go ahead and share the links with your friends or colleagues who would like to know more about SWA.
