JETRO Water & Environment Business Matching Event in Singapore

We are pleased to inform you that JETRO is organizing a business delegation comprising 23 Japanese companies from the water and environment sectors and we would like to take this opportunity to hold a business matching event as a platform to introduce Japanese products and technologies to companies here from these relevant fields.

The Singapore market has been an attractive target for Japanese companies as it shows strong potential for the implementation of latest technologies and business collaboration, and has been garnering strong support from Singapore government agencies and trade associations.

JETRO would like to invite you for this meaningful event and hope that it will bring new business opportunities and possibilities for you. Please refer to the "Japanese Company Profiles" for your reference.
