DIALOGUE WITH THE WORLD BANK GROUP AND IFC

5 March 2019, WB Auditorium @ MBF Tower 2, Level 12

The dialogue session with the World Bank Group and IFC was overwhelmed with 60 attendees who gained insight for the market requisite, as well as the World Bank's guidelines, criteria and procedures on project procurement.

SWA council member, Mr Dinesh Sharma, gave an opening address on Singapore's water landscape and global challenges for clean, sanitised and hygienic drinking water while Mr Vinod Singh shared his perspectives and vision for the Water Sector Industry at the panel discussion segment.

38TH SINGAPORE WATER INDUSTRY NITE

7 March 2019, PUB Recreation Club @ Level 3

The 38th SWIN was well-attended by 144 members and invited guests. The hosting venue was gracefully decorated with blue-lit balloons and drapes shaped into waves for a comfortable and relaxing ambience.

Main sponsor UES Holdings Pte Ltd presented its Learning Journey with a demonstration and video of the Stamford Detention Tank while SWA gave an update for its activities in the first half of 2019, followed by the PUB Manpower Study Project Team and i2R@a*star presentations.

MANILA BUSINESS MISSION 2019

18 to 20 March 2019, Manila, Philippines

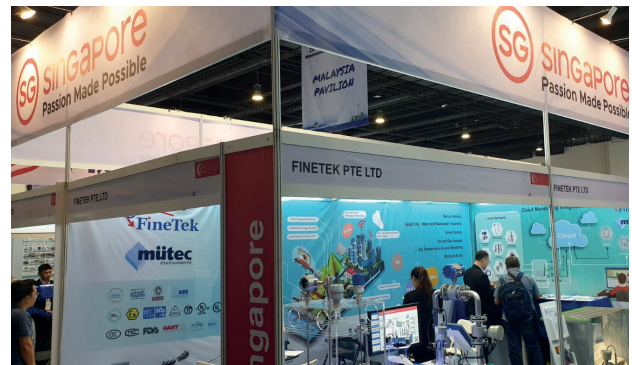

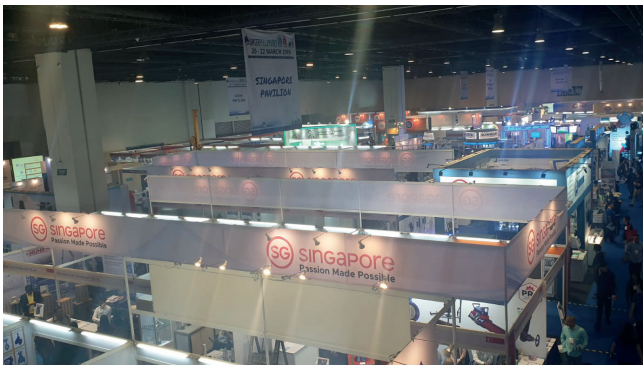

Singapore Water Association led eight companies on a three-day mission to Manila from 18 to 20 March 2019, in conjunction with Water Philippines 2019. Delegates visited the Pasay Sewerage Water Plant, met up with government officials from Metropolitan Waterworks & Sewerage System and the Department of Trade & Industry, and held B2B customised meetings with members of the Philippines Water Works Association (PWWA) and EU Business Avenues.

WATER PHILIPPINES 2019

20 to 22 March 2019, Manila, Philippines

Singapore Water Association participated in Water Philippines with 14 Singapore companies, occupying a total expo area of 207sqm at the Singapore Pavilion. Singaporean companies enjoyed an iMAP subsidy of up to 50 per cent on booth expo participating fees, and registration was closed with an overwhelming 100 per cent booth sign up two months prior to the event.

TECHNICAL SITE VISIT

9 April 2019, Stamford Detention Tank

Singapore Water Association organised a technical site visit for 18 participants to the Stamford Detention Tank (SDT) to understand how SDT can temporarily store stormwater from the drains during a heavy rainfall.

IMAGINE H2O ASIA

A Path-to-Market for Innovators Solving Southeast Asia's Water Challenges

Apply today to Imagine H2O Asia. Imagine H2O Asia is the organisation's first dedicated hub outside the United States, a Singapore-based, regional accelerator and customer validation programme for emerging water technology start-ups. In collaboration with Enterprise Singapore and SWA, Imagine H2O Asia will bridge vetted start-ups to Southeast Asia's utilities and businesses while supporting local entrepreneurs with the resources to develop their businesses. The programme is open to both Singapore-based and international water technology businesses. We encourage interested applicants to register today to access the Full Application. Full Application Deadline: May 16, 2019. Contact: Kelven Lam (kelven@imagineh2o.org).
