40TH SINGAPORE WATER INDUSTRY NITE

1st August 2019, e2i West Halls 1 & 2

The 40th SWIN was sponsored by Andritz Singapore Pte Ltd. Programme highlights included a sharing session by Andritz Singapore Pte Ltd, updates of SWA activities and a sharing by PUB Singapore and Israel Embassy. The cocktail networking reception and buffet dinner was well attended by over 150 guests and members, who all had a joyous and comfortable networking session with a lucky draw and cake-cutting segment. Guests were mesmerised with a VVIP red carpet entrance for professional photos to be taken.

BANGKOK MISSION 2019

4th to 6th June 2019, Bangkok, Thailand

Singapore Water Association led nine delegates from six companies to meet up with Siam Cement Group (the largest state-owned enterprise in Bangkok, belonging to the King of Thailand), The Federation of Thailand Industry (FTI), Global Utilities Services Company Limited (GUSCO) and the Royal Irrigation Department (RID). The delegation also visited the Chong Nonsi Wastewater Treatment Plant where a £200,000 (SGD \$334,018) potential deal is currently underway. The delegates had the opportunity to have a guided site tour around RID Smart Water Operation Centre.

JAKARTA MISSION 2019

15th and 16th July 2019, Jakarta, Indonesia

More than 10 delegates from seven companies partook in the two-day SWA Jakarta Mission alongside meetings with The Ministry of Public Works and Housing, Indonesian Regional Water Utility Co. and 20 member companies of The Indonesia Water Association (IDWA). The delegation also visited the PAMJAYA and PT Aetra Wastewater Treatment Plant. Over 50 B2B meetings were arranged, with some probable collaborations in the works.

Embracing Water Sustainability 2019

25th July 2019, PUB WaterHub Auditorium

Co-organised with LVI Associates and venue support from PUB, the workshop held on 25th July was well-attended by more than 80 water industry professionals. 13 water experts were invited as panellists in the two panel discussions – “Embracing Water Digitalization and Innovations” and “Talent Management for The Water Cluster. The sharing session widened participants’ knowledge and horizons on water sustainability as well as established many new collaborations.
