41st SINGAPORE WATER INDUSTRY NITE

14th November 2019, PUB Waterhub Auditorium

It was an eventful 41st SWIN with a special face-changing opening performance sponsored by China Harbour (Singapore) Engineering Pte Ltd.

The event was well attended by 180 guests with China Harbour giving an overview of its local and overseas projects; SWA updates on 2020 activities and events; PUB update on TWRP Contracts and Introduction of IH2O new cohorts.

Special guests include First and Third Secretary of China Embassy, Mr Lee Pak Sing (ED of Enterprise Singapore) Regional Trade Officer of Canadian High Commission and Dr Andrew Benedek (Chairman of Anaergia, First Lee Kuan Yew Prize Award Winner).

EMERGING TRENDS IN THE WATER INDUSTRY

10th October 2019, CleanTech Park Seminar Room

NEWRI, World Bank and several water industry stakeholders shared interesting and eventful sessions at the inaugural “Emerging Trends in the Water Industry” seminar on 10 October 2019.

SWA Vice-President (Administration), Mr Dinesh Sharma delivered his welcome address to more than 70 participants while NEWRI Executive Director, Prof Shane made his opening address by giving an overview of water problems in South East Asia.

Other sessions include World Bank advising on the Challenges and Opportunities: Water and Wastewater; Tech Solutions to Emerging Water Problems; Innovative Sensors & Real-time Simulations and Best Management Practices in Water Industry.

The event ended with a NEWRI and START Lab Tour.

Improve Productivity with Productivity Solutions Grant

24th October 2019, PUB Waterhub Auditorium

It was an interesting seminar where members of different industries and business portfolios networked and shared experiences at PUB Waterhub on 24 October 2019.

Special thanks to PUB as the venue Sponsor; Asia Hawk, Advanced Micro Control and Axiom for the sponsorship of refreshments; and Microsoft as guest speaker to share on possible Product Solutions Grants and Intelligence software to maximise productivity with advancing IT developments.

TECHNICAL SITE VISIT TO WYETH NUTRITIONALS

15th October 2019, Wyeth Tuas Plant

Boustead Salcon Water Solutions Pte Ltd arranged and hosted a site visit to the Wyeth Nutritionals Plant, where 30 participants had the chance to see the plant and understand its effluent water processing systems.
