

Emerging Stronger - Digitalise Your Corporate and Admin Functions

Are you looking to stay afloat and emerge stronger from the pandemic? Are you looking for support from the government to implement digital solutions? Want to digitalise your HR, Finance and Inventory Management System?

Join us in this event to hear from IMDA, SSG and NTUC USME on the **funding, training and consultancy support** available to SMEs to help digitalise backend business functions.

Learn more about HSL and Crystal Clear's digital transformation journey too!
