About Singapore Water Association

The Singapore Water Association established since 2004 envision to create a vibrant and dynamic water industry in Singapore. Its members have grown from an initial 9 founding members to almost 300 members. Singapore Water Association has been instrumental in profiling and promoting Singapore as a pivotal regional hub for all water-related services and water technologies, by providing a platform to build effective networking, facilitate opportunities for collaboration, and foster the exchange of ideas and knowledge amongst member companies.
