## About SgWX Water Utilities Series

The SgWX Water Utilities Series is co-organised by the Singapore Water Exchange and the Singapore Water Association. The webinar provides a platform for the water industry to interact with overseas utilities and regulators, understand their challenges and identify business opportunities.

### About the Singapore Water Exchange

The Singapore Water Exchange (SgWX), managed by PUB, Singapore's National Water Agency, is a purpose-built infrastructure to provide an integrated and conducive environment for water companies to innovate and collaborate. Launched in July 2018, SgWX offers a variety of collaborative spaces to serve as a launchpad for companies to grow their businesses in the region and beyond.

### About the Singapore Water Association

The Singapore Water Association established since 2004 envisions to create a vibrant and dynamic water industry in Singapore. Its members have grown from an initial 9 founding members to almost 300 members. Singapore Water Association has been instrumental in profiling and promoting Singapore as a pivotal regional hub for all water-related services and water technologies, by providing a platform to build effective networking, facilitate opportunities for collaboration, and foster the exchange of ideas and knowledge amongst member companies.
