BRINGING
A NEW VIBRANCY
TO SINGAPORE'S
GROWING
WATER INDUSTRY

Delegation from Perusahaan Daerah Air Minum (PDAM) Surya Sembada Kota Surabaya met with 35 SWA members to network, and learn the use of Internet of Things (IoT) and digitalisation in water. The group planned to change its manual water metre reading system

to automatic reading, as well as use ultrasonic or electromagnetic water metres to improve accuracy and transparency. PDAM Surya Sembada required a comparative study with companies and utilities that have implemented this system to their customers.

[Event] Second meeting of SG Water Internationalisation Networking Club

22 Aug 2023, ST Engineering, Jurong East

Fourteen SWA members attended the 2nd SG Water Internationalisation Networking Club (INC) meeting. Guest speakers from Malaysian Water Association (MWA), Climate Fund Managers and Infrastructure Asia shared about their organisation and how they can collaborate with INC members. The group workplan was discussed, followed by a networking session. SG Water INC is a peer

interest group of Singapore companies. Supported by SWA, PUB, Singapore's National Water Agency, Enterprise Singapore and a consultant advisory group, this initiative is part of the alliance for action (AFA) initiative and aims to create a platform to address global water-related challenges and foster international partnerships within the water sector.
