

[Event]: 48th Singapore Water Industry Nite (SWIN)

Sponsored by **JACOBS**

20th July 2023, PUB Waterhub, Peirce Auditorium

The 48th Singapore Water Industry Nite was held on Thursday, 20th July 2023 at PUB Water Hub.

The evening was sponsored by **JACOBS**. Programme highlights include Welcome Address & Updates by SWA, sharing by JACOBS GROUP, followed by a presentation from PUB (Coastal Protection Research & Industry Collaboration). NEWBrew was sponsored by PUB and served at the networking dinner for more than 140 guests.

[Event]: Launch of SG WATER INTERNATIONALISATION NETWORKING CLUB (INC)

20th July 2023, PUB Waterhub, Peirce Auditorium

SWA officially launched: SG WATER INC (Internationalisation Networking Club) on 20th July 2023.

This initiative is part of the Alliance-For-Action (AFA) discussion and aims to create a collaborative platform to address global water-related challenges and foster international partnerships within the water sector.

SG WATER INC is a peer interest group of 18 SG Companies with support from SWA, PUB, Enterprise Singapore and a Consultant Advisory Group (Jacobs, Binnies, AECOM, Keppel and DHI Water).

[Webinar]: Coastal Resilience: Safeguarding Our Shores – A Webinar on Coastal Protection Strategies
Co-organised with The U.S. Department of Commerce
27th July 2023, Complimentary, Webex

The speakers were Mr. William A. Smallwood II (President, Flint Technical Geosolutions) and Mr Roderick D. Scott (Board Chairman, Flood Mitigation Industry Association).

Both are renowned experts who have extensive experience and expertise in the field of coastal protections and shared their knowledge, research findings and success stories to empower participants with valuable insights and practical strategies to tackle this complex issue.

Discussed effective strategies to mitigate the impacts of climate change on our vulnerable coastlines. More than 60 attendees participated in this informative webinar which followed by a Q&A session.

[Study Mission]: Nanjing Tech-Study Mission 2023
9th – 11th August 2023
Co-organised by SWA and Sembcorp, supported by ESG.

7 delegates participated in this technology study mission whom visited and toured the Nanjing International Water Hub (NIWH) at SNEI to learn about the latest technologies and best practices in water treatment and management. Delegates attended the SNEI Water Technology Exchange Conference and met with fellow water professionals, policy makers and researchers from NIWH, SNEI and IWA.

Delegates learned and gained valuable insights on innovative technologies and solutions for water conservation and management. State-of-the-art facility and the technologies, including membrane filtration, biological treatment, and energy-efficient processes.

UPCOMING SWA ACTIVITIES

[Study Mission]: Aquatech 2023

6th – 10th November, Amsterdam, Netherlands

Organised by SWA, supported by PUB and ESG.

As part of our continuous effort to enhance our members' competitiveness through exploring new markets and business opportunities, the Singapore Water Association (SWA) in-conjunction with **Aquatech 2023** will be organising a technology mission to Amsterdam from **6th to 10th Nov 2023**.

This mission will focus on a better understanding of post-Covid business opportunities and challenges in Europe. Gain market insights, developments, trends and to develop potential cross-border business collaborations with European companies.

Supported by

In conjunction with

Technology Mission to Aquatech 2023, Amsterdam

World's leading trade exhibition for Water Technology, Process, Drinking & Wastewater

Key takeaways for participants:

- Pre-arranged networking sessions & B2B meetings to seek new areas of cooperation and synergies with European companies;
- Meet with key Agencies, Industry Groups, Institutes, Municipalities and regional Trade Associations in Europe;
- Exclusive site visits around/in Amsterdam.
