## [Trade fair] Thai Water Expo 2024

2-4 Jul 2024, Queen Sirikit National Convention Centre (QSNCC), Bangkok, Thailand

SWA organised and led the Singapore pavilion at the 8th edition of Thai Water Expo 2024 in Bangkok, Thailand. The pavilion had 8 companies within a 108m<sup>2</sup> exhibition space, and these companies benefitted a grant subsidy of up to 70% on booth participation fees.

The three-day event proved fruitful, offering business prospects for Singaporean exhibitors. It provided a platform to showcase their water-related expertise and solutions, exchange best practices with solution providers, and stay abreast of the global trends

alongside fellow exhibitors. The next edition of Thai Water Expo will be held from 2-4 Jul 2025 at QSNCC, Bangkok, Thailand.

## [Mission] Business mission to Bangkok 2024

1-5 Jul 2024, Bangkok, Thailand

SWA led a business mission to Bangkok from 1-5 Jul 2024 in conjunction with Thai Water 2024. This overseas trip aims to empower SWA valued members to explore business and investment opportunities in the region.

The members managed to seek new areas of cooperation with leading Thai companies. They gained business regulations and industry insights by meeting with government agencies, institutes, municipalities, utilities, and trade associations as well as attending technical site visits in Bangkok.

## [Event] South Africa delegation visit to Singapore

8 Jul 2024, Singapore Water Exchange (SgWX), Singapore

SWA hosted a dynamic sharing session with esteemed delegates from South Africa, including representatives from the Water Research Commission (WRC), the Department of Science and Innovation, and several municipalities.

SWA kicked off the session with a presentation about Singapore's water ecosystem and SWA's pivotal role in it. Thereafter, each speaker shared different issues faced in South Africa and explored potential solutions. This candid discussion provided a platform to understand unique challenges and identify opportunities for collaboration.

The session concluded with a delightful networking refreshment, where participants had the opportunity to connect, share ideas, and forge new partnerships.

## [Event] TATA Strategic Management Group (TSMG) visit to Singapore

11 Jul 2024, SgWX, Singapore

SWA was thrilled to host TSMG delegation, with the support of Enterprise Singapore. This collaboration marked a milestone in SWA's ongoing efforts to foster innovation and strategic growth within the industry.

TSMG is the strategy centre of excellence for Tata group, driving thought leadership across the group through innovative knowledge platforms. It helps define opportunities for strategic collaboration between Tata group and external entities. TSMG is exploring direct potable reuse and hence interested in water recycling technologies.

# UPCOMING SWA ACTIVITIES

## [Trade fair] Borneo International Water and Wastewater Exhibition and Conference (BIWWEC) 2024

23-25 Oct 2024, Kuching, Malaysia

BIWWEC, run biennially by the Malaysia Water Association (MWA) Sarawak branch, is Sarawak's international congregation of water and wastewater experts.

With the theme of bridging solutions for water sustainability and the tagline 'Flowing Future', BIWWEC 2024 aims to feature smart water technology in Borneo. This edition of BIWWEC 2024 is centred around pillars of energy efficiency, reduction of non-revenue water (NRW), innovative asset management, and

innovation drivers such as digital technology, artificial intelligence (AI), and decentralised solutions.

Grant support of up to 70% from Enterprise Singapore can be given to exhibitors. For more information, reach out to [jasvinder@swa.org.sg](mailto:jasvinder@swa.org.sg).

## [Trade fair] VietWater 2024

6-8 Nov 2024, Ho Chi Minh city, Vietnam

SWA is participating in VietWater 2024 – Vietnam's biggest water supply, wastewater and environmental event at Ho Chi Minh city from 6-8 Nov 2024. As the largest international water industry show in Vietnam for 15 consecutive years, the show offers business opportunities for the water supply and wastewater treatment

industry in Vietnam and across Indo-China. The event will be co-located with WETV – Vietnam's transportation, waste treatment and environment technology event.

Grant support of up to 70% from Enterprise Singapore can be given to exhibitors. For more information, reach out to [jasvinder@swa.org.sg](mailto:jasvinder@swa.org.sg).

## [Trade fair] Vietnam Water Week 2024

6-8 Nov 2024, Hanoi, Vietnam

The Vietnam Water Supply and Sewerage Association (VWSA) will be organising Vietnam Water Week 2024 with the theme 'Water for the quality of life and sustainable development'. This event will take place from 6-8 Nov 2024 in Hanoi, Vietnam.

Vietnam Water Week 2024 aims at creating space for businesses to present their products and services to Vietnamese and foreign partners. It also aims to promote technologies

for a sustainable development of the country's water sector. In addition, the seminars and conferences in the event agenda will allow representatives from government agencies,

international organisations, Vietnamese and foreign experts, scientists, as well as business leaders to discuss water policy developments.

# [Trade fair] Sustainability Environment Asia (SEA) 2024

12-14 Nov 2024, Kuala Lumpur City Centre (KLCC), Malaysia

SWA will participate in the 2nd edition of SEA 2024, taking place from 12-14 Nov 2024 at KLCC. SWA will be managing a 120m<sup>2</sup> Singapore pavilion, offering an opportunity for networking and business development. Two industrial site visits and B2B meetings will also be arranged for the participating exhibitors on 11 Nov 2024 as part of a participating package.

Following the success of SEA 2023, this event offers a platform for exhibitors to showcase their innovations. SEA 2024 will address environmental issues such as waste and water management,

recycling and reuse, green technology, and hydrogen technology. This sustainability event in Asia focuses on the water, energy, and built environment sectors.

Grant support of up to 70% from Enterprise Singapore can be given to exhibitors. For more information, please visit the SEA 2024 website or contact [kenny@swa.org.sg](mailto:kenny@swa.org.sg).
