

SWA Business Mission

28th Oct - 1st Nov 2024

tentatively

# YANGTZE RIVER DELTA SUSTAINABILITY CORRIDOR

## Objectives of this Business Mission

1. **Understand the Sustainability Ecosystem:**
  - Discover the intricate sustainability network in YRD and its pivotal role in China's green industry.
2. **Grasp Market Dynamics:**
  - Uncover key trends, opportunities, and challenges in YRD and China's sustainability markets.
3. **Seize Opportunities:**
  - Network with local governments and companies to unlock valuable business opportunities.
4. **Learn from the Best:**
  - Witness firsthand how top Chinese companies excel in scale and sustainability innovation.
5. **Master Market Entry:**
  - Gain strategic insights on how Singapore companies effectively penetrate and thrive in the Chinese market.
